    -
- No Goal Kicks, only Goal Throws. Goalies throw or roll the ball back into play. This is officially called a “Goal Clearance” but more often called a “Goal Throw” or “Keeper Throw.”
- No Slide Tackles; no charging. Games are not meant to be physical. • All Kick-Ins, corner kicks and goal throws (Keeper) must be done within 4 seconds (If not opposing team will have indirect kick)
- Ball is still in if on the line at all
- You can score from anywhere on the field.
- No offsides

- The Penalty Area is represented by the area inside the basketball 3-point line. Penalty kicks are taken from the edge of the penalty area.

**FOUL COUNTING** - If a team commits 6 fouls within a half the opposing team will be given a penalty kick from the edge of the goal area. The 6th and any succeeding accumulated fouls all result in a Penalty Kick. The foul count will reset after half, but not reset if a match goes into Extra Time.

**Rolling Subs** – Player coming off field, must be completely off field before sub comes on.

### **Goalie - Game Rules**

- On Goal Clearance - keeper will throw or roll ball out. Keepers can't throw untouched past mid-field. If they do, it is an indirect free kick for the opposing team where the ball crossed mid-field.
