Referee fees for all self-scheduled matches will be paid cash at the field. For centralized weekends, referees will be paid via the Assignr platform.

Assignor Fees

For all self scheduled matches, the host club is responsible for acquiring a reliable referee assignor and negotiating assigning rates.

For centralized weekends, Snap Soccer will work directly with the local assignor to coordinate match referees. Assignors for this weekend will be compensated as follows

- Assigning Fee: \$16 per game
- Site Fee: \$200 per day
